

Roosevelt University's Dining service is committed to bringing nutritious food to the table and making the healthy choice an easy choice for all our dining guests. We created BeWell to make it easier for you to choose well. First, our BeWell eating approach combines the latest in nutrition science and culinary trends to create a crave-worthy, nutritious menu choice. Second, our BeWell wellness approach encourages positive behavior change through our promotions, wellness education programs, and partnerships. Incorporating our StarChef program; an interactive menu program that highlights healthier options and provides the most current nutritional information for daily menus and will complement BeWell.

- » Reviewing menus with parents or students who have food allergies to determine what, if any, menu items need to be substituted.
- » Just let us know when and if you'd like to work with an R.D. askadietitian@aladdinfood.com

FARM TO TABLE

Aladdin's Farm to Table (F2T) program is about investing in the health of our communities and the future of our food supply. In search of the freshest, best tasting ingredients, Aladdin chefs have always purchased produce and baked goods locally. THINK LOCAL, BUY LOCAL, and BE LOCAL. Here at Roosevelt, we use produce from local farms through Testa Produce (Green by Nature, Greener by Choice whenever possible, sustainable seafood, local composting (Resource Center) and local milk company (Mori Milk) to name a few.
